Test & Measurement Division

ABOUT US

We have been appointed by Keysight Technologies as their "Authorized Re-seller" for Pakistan in partnership with Motabaqah Trading Company Saudi Arabia. The Keysight Technologies is the World's giant Company in manufacturing and Innovation of Test & Measurement Equipment and offering Solutions since last 75 years.

Our premium line of products includes Test and Measurement Equipment. Our test solutions combine uncompromised product performance, quality, and advanced product features; all delivered at extremely attractive price points. Our solutions delight customers in many applications such as technical education, embedded design, WiFi integration, EMC, and manufacturing. Across all markets and products we deliver our customers with unprecedented value for their investment, reduce their overall cost of test, and help speed time to completion of their designs or projects.

There are no compromises when you choose a Keysight product. We provide all of the performance and features you need to quickly complete your tasks along with the quality and ease of use you demand. We are so confident you will be delighted with our products & the outstanding value we provide with warranty and after sales support.

At Its Heart, Motabaqah Trading Company Delivers Solutions That Meet Research Demands And Unlocks Measurement Capabilities. We Accomplish This Through A Wealth Of Ingenious Products, Processes, Technologies, Consulting And Customer-Oriented Services. In Addition To Providing Path-Breaking Products From Our Suppliers, MTC
